

**FOUND, ABANDONED, AND UNCLAIMED PROPERTY:** The police department is the central location for lost and found items in the Borough. Residents are encouraged to make police reports for missing or stolen property. There have been instances when the missing property is already in the evidence/property room waiting to be claimed. All property turned into our department is inventoried and kept in storage. The rightful owner is contacted if possible. Because storage space is limited, the department disposes of all unclaimed property every six months. If the owner of a bicycle cannot be located or the bicycle goes unclaimed, the found bicycles are then given to the Boy Scouts and the North Pocono Lions Club to be fixed and donated to charity. Note: Proof of ownership will be needed to claim an item.
